

SC Inspire Membership Guide 2026 - 2027 (KS3 and GCSE pupils)

Why we're introducing Monthly Memberships

SC Inspire Tuition is introducing memberships to provide a more reliable, consistent service for every family. Monthly memberships help us plan classes with confidence, reduce cancellations caused by low numbers, support our tutors and make budgeting simpler with one predictable monthly payment.

What's included?

- Weekly live lessons
- Lesson recordings
- Half-termly progress reports available on request
- Access to our enrichment clubs at no additional cost
- Priority access to classes
- Simple monthly payments
- Continued investment in classes
- A guaranteed place in your chosen weekly classes

SC Inspire Enrichment Programme

All SC Inspire members also have access to our enrichment programme, designed to build confidence, creativity and wider learning skills beyond core lessons.

This includes a rotating offer of clubs such as:

- Football Writers Club
- Games Club
- Book Club (when running)
- Amazing Animals (when running)

Clubs are included as part of all membership tiers and are available on a drop-in basis, subject to capacity and scheduling.

Where sessions are oversubscribed, priority may be given to higher membership tiers.

Benefits of switching to Monthly Membership

- **A consistent weekly timetable** - Children benefit from learning with the same teacher and classmates each week, helping them build confidence, friendships and make the best possible progress.
- **Predictable monthly payments** - One simple monthly payment makes budgeting easier, with no large termly invoices.
- **Better value across the year** - Membership prices provide a small saving compared with paying for the equivalent timetable lesson by lesson, alongside the additional membership benefits.
- **Half-term reports included** - Receive regular feedback on your child's progress (where requested) at no additional cost.
- **A more reliable learning experience** - Consistent class groups allow teachers to plan lessons that build week by week, creating a more structured and enjoyable learning journey.
- **Flexibility when needed** - If your child's timetable needs to change, we'll always do our best to accommodate this, subject to availability.
- **Access to enrichment clubs** - Monthly membership includes access to our enrichment programme, including clubs such as Football Writers Club, Games Club, Book Club and Amazing Animals (subject to availability), giving children opportunities to develop creativity, confidence and wider learning skills beyond core lessons.

Membership Prices

Membership	Classes per week	Price
Pay As You Go*	1-2	Weekly invoiced
Core	3-4	£117
Enhanced	5-6	£162
Full	7-8	£227
Premium	9 classes	£260
Bespoke	10+ classes	Individually agreed

*PAYG is shown as 1-2 classes in the pricing table for new arrangements. Existing 2025-26 families may retain their current PAYG timetable. Alternatively, if you'd like the simplicity and benefits of our new monthly membership model, you're very welcome to move across at any time.

Anticipated Questions - Answered

Why monthly?

Membership fees are paid as 12 equal monthly payments, helping families budget consistently while allowing us to plan and secure places across the academic year.

Is the monthly membership over 12 months even though there are no lessons in August?

Yes. The membership is spread evenly over 12 monthly payments, even though we do not run live lessons in August.

This is because the membership is not simply paying for individual lessons each month, but for your child's place within a guaranteed yearly timetable. Payments are averaged across the full 12-month academic cycle to make costs more predictable and to ensure we can:

- Secure teaching staff for the full year
- Guarantee your child's place in classes
- Plan consistent progression without disruption
- Cover the full programme of delivery across the academic year (39 teaching weeks)

August acts as a scheduled break in the academic calendar, similar to school holidays, while the membership structure ensures continuity of place, planning, and provision across the year as a whole.

Do lessons still run during term time only?

Yes. Membership spreads the cost over the year; lessons follow our published term dates.

Can memberships change?

Yes. If your timetable changes, we'll recommend the most suitable membership.

What if I take a break for a week or two?

Your membership secures your child's place on our timetable and is spread evenly across 12 months. Because tutors and classes continue to be planned around each child's place, membership payments continue during short breaks or holidays. If your child misses a lesson, recordings are available where appropriate so they can catch up.

What if I want to cancel my membership?

We completely understand that circumstances can change. If you wish to cancel your membership, we simply ask for one calendar month's written notice by email. This allows us time to adjust timetables, offer the place to another family and plan tutor schedules.

Can I stay as I am and continue paying weekly?

Yes. As a thank you for your support, all existing SC Inspire families who have been with us during the 2025-26 academic year may remain on their current weekly payment system, including where they attend more than two classes per week, with no obligation to change.

*PAYG is shown as 1-2 classes in the pricing table for new arrangements. Existing 2025-26 families may retain their current PAYG timetable. Alternatively, if you'd like the simplicity and benefits of our new monthly membership model, you're very welcome to move across at any time.

For new families joining SC Inspire from September 2026, membership will be our standard way of accessing three or more weekly classes.

Will I receive an invoice each month?

Yes. Your monthly membership payment will be invoiced on the same date each month, making budgeting simple and predictable.

Am I locked into specific lessons with membership?

Your child's regular timetable is agreed when the membership begins, but this does not mean their lesson choices can never change.

We will always try to accommodate reasonable timetable changes, subject to availability.

I like the flexibility to change lessons week to week - does a monthly membership stop this?

We completely understand that flexibility is important, especially for home education families.

Monthly membership is designed to provide both structure and flexibility. It guarantees your child a stable weekly place so classes can run consistently, but we will always do our best to support changes where possible.

If you need to adjust your child's timetable, we will work with you to:

- Move classes where spaces allow

- Adjust your membership tier if your timetable increases or decreases
- Support changes around family circumstances wherever we can

The key difference is that membership ensures your child has a secure place in a consistent group, while still allowing reasonable adjustments when needed, subject to availability.

A Message from Sean

When I started SC Inspire Tuition, my aim was never simply to teach lessons - it was to create a place where children enjoy learning and families know they can rely on us.

These memberships are the next step in that journey. They allow us to plan with confidence, invest in our tutors and continue developing exciting opportunities for our students.

Thank you for your continued trust and support. I genuinely appreciate every family who chooses SC Inspire.
